

Lincoln At Gettysburg

**Thursday, August 23 5:30 PM
at the Clymer Library, Pocono Pines
Presented by Frederick A. Lehrer**

The pivotal engagement of the Civil War led to the most famous speech in American history. You read it in grade school, but do you know Lincoln's real message? Do you know what the contemporary reaction to his speech was? Why we have never heard about other speeches Lincoln made during his first term? That the main speaker of the day ran against Lincoln in the election of 1860? That Lincoln was suffering from smallpox when he left Gettysburg?

A one-hour slide presentation will include many historic photos, including a long-undiscovered view of Lincoln at the speaker's platform.

The lecture is open to the public, and is free of charge.
